March 16, 2015

The Honorable Lyushun Shen, Ph.D.
Representative
Taipei Economic and Cultural Representative Office in the United States
4201 Wisconsin Ave, NW
Washington, DC 20016

Dear Mr. Ambassador:

We at The Daschle Group, a public policy advisory of Baker Donelson ("TDG"), are pleased that the Taipei Economic and Cultural Representative Office in the United States ("TECRO") has chosen to build its relationship with us. The purpose of this letter is to confirm the terms of our overall engagement.

This engagement is effective March 16, 2015 and will continue in effect until March 15, 2016 unless otherwise agreed by TDG and TECRO. During our engagement, you agree to pay TDG a monthly retainer of \$25,000.00. Throughout the period of this engagement, we will issue monthly statements for our services rendered in the previous month, payment due upon receipt. TDG will not bill TECRO separately for incidental expenses, except for mutually agreed travel.

During the period of the retainer, TDG will provide TECRO a monthly report of all activities undertaken on your behalf. I will actively participate in and supervise our day-to-day work under this agreement. All work will be coordinated from my office. Our team will include members of my immediate staff, and, on an as-needed basis, other lawyers in and their assistants who have particular expertise in the issues under consideration. In addition, I will meet with you on a regular basis. My representatives will meet regularly with TECRO representatives and coordinate with them as frequently as necessary. The management and supervision of the engagement shall be under my direct control and supervision, and no activity relating to TECRO shall be generated without my or my representatives' explicit direction and approval.

This year, we agree that our activities will continue to focus specially on assisting you with our agenda as it relates to the U.S. Administration and Congress. TECRO and TDG will agree on a work plan to cover these activities. In addition, the following activities are among those we are prepared to undertake on TECRO's behalf.

- Work with you to advance Taiwan's goals of obtaining membership in the Trans-Pacific Partnership and a Bilateral Investment Agreement with the United States, as well as Taiwan's overall trade and security goals.
- Promote travel to Taiwan by and seek meetings with U.S. Administration officials and Members of Congress.
- Assist in scheduling meetings with Democratic Party officials and candidates for the 2016 Democratic presidential nomination and in advancing your agenda on party-related issues.

- Assist in scheduling meetings with Republican and Democratic members of the U.S. Senate and U.S. House of Representatives, including those in leadership positions.
- Assist in drafting and finding appropriate opportunities for op-eds, press releases, speeches and other statements.
- Provide analysis of U.S. political developments.
- Through close coordination with your staff, we are also prepared to undertake other special assignments on your behalf, provided that both parties mutually agree.

We are also prepared to provide additional legal services, beyond the scope of the abovementioned retainer, at your request. If you request such services, we will provide, on an as-needed basis, other lawyers in TDG or Baker Donelson and their assistants who have particular expertise in the issues under consideration. You would be billed for these services, separately from and in addition to the \$25,000.00 monthly retainer, based on the hourly rates of the relevant lawyers.

As you can appreciate, the attorney-client privilege is an important subject that we raise with our clients at the outset of any new representation. As a matter of professional responsibility, we are required to preserve the confidences of our clients, and this professional obligation and the legal privilege accorded attorney-client communication exist to encourage candid and complete communication between client and attorney. The attorney-client privilege, however, can be lost if our written or oral communications are shared inappropriately with others, including, under certain circumstances, other employees or representatives of TECRO. We should always, therefore, discuss in advance any intention on the part of TECRO to include others in our confidential relationship.

Moreover, as in any professional relationship where mutual trust and confidence are essential, it is appropriate for either TECRO or TDG to be able to terminate our engagement at any time, by reasonable written notice. If our engagement is terminated, we understand that TECRO will take whatever steps are necessary to evidence that we are free from any obligation to perform further, and to pay us for unpaid fees, charges for related expenses, and services incurred to the date of termination. For clients who are not regular, general clients of TDG, but who hire us as special counsel for a limited engagement, an additional condition of our acceptance of this engagement is an agreement that our acceptance of this limited engagement shall not preclude our firm from representing other clients in the future who may have adverse interests with respect to matters unrelated to his limited engagement. We consider our representation of TECRO to fall in to this category.

Notwithstanding the above, TDG agrees not to represent the government of the People's Republic of China (PRC) or any PRC state, commercial, or other interests during the course of our representation of TECRO.

We would appreciate your acknowledging, on behalf of TECRO, that this letter correctly reflects the terms of our engagement by signing, dating, and returning to me the enclosed copy of this letter. There is space for your acknowledgement below my signature.
